Prepared for Severe Weather?

Are You Prepared for Severe Weather?

It's that time of year again for central Mississippi. Knowing what to do before, during and after severe weather can save your life.

REMEMBER...A **tornado watch** means that tornadoes are possible. A **tornado warning** means a tornado has been sighted and/or indicated by weather radar.

Before: Locate your gas, power and water cutoffs for your home and be familiar with how to operate them. Have your cell phone charged in case of loss of power. See our **Severe Weather Emergency Kit**.

During: Get to your designated safe area in your home. Do not drain your cell phone in case you need it to make an
